Host rules:

A "People's Choice" contest starts at 2PM and runs until 4PM or teams are out of meat. This contest consists of BBQ cooked on site. You may prepare your pork in any manner you choose to provide to the public in 2 oz cups. The Chamber will provide all cups and spoons (if necessary) for you to present your pork to the public. The public tasters must have a wristband on to sample from the teams. Each person with a wristband has been given 2 tickets to vote for their favorite pork. If they don't have a wristband on, they cannot vote for you and you are wasting your sample. We expect over 10,000 attendees. We recommend preparing 30lbs to 40lbs of pork or more, with a minimum of 40lbs please (the Chamber will provide all teams with 2 whole pork butts). The pork may be served wet or dry. Prizes for "People's Choice" will be awarded trophies for top three and are not included in point tallying for any FBA scorecards. We would appreciate each team's participation. No additional entry fees are required to participate. This "people's choice" will raise money towards the Chamber's Foundation scholarships.

Overnight stays are allowed. Power is not available in the cook areas. Please notify us if you will be bringing a generator. All teams are provided with a 20 x 40 space to compete in. Additional space is limited, but available for a small charge. There is one water bib onsite for teams to use to clean and keep their booths sanitary. Please bring a hose to hook into water supply if you need water.
